**WEEKLY £25 STORE CATTLE MONAHANS AWARD**

**Monahans Chartered Accountants & Business Advisers**

have kindly offered to award £25 each week to the vendor of the highest priced (£/head) store animal.

**This week's winner: £1,205 For an Angus steer from Puncknowle Manor Estate, Dorchester.**

What a cracking trade for all breeds, shapes and sizes! Plenty of buyers in attendance for all types travelling from all over the country.

### **SUCKLER COWS & CALVES**

A nice little entry of cows and calves today, no best quality forward, but those that were forward enjoyed spirited bidding. A smart pedigree 6y/o Hereford cow 2-3mo in calf from AG Maidment & Son to £830.

### **YOUNG CONTINENTALS**

The recent rain has just started to make a difference and as the finished cattle get more scarce with a price increase imminent the demand for all store cattle was much firmer. Few best cattle forward but a superb consignment from TW Bartlett & Son created fierce competition. Their best Limousin steer 13mo peaked at £1090, £1028 and £1090. British Blue dairy x Continental but those on offer saw a brighter trade throughout. More best types would have sold to an advantage today.

### **HEREFORDS**

Some nice runs of Hereford cattle forward today, which enjoyed competition all day. Some real smart Hereford steers which topped at £1118 from David Foot. A nice run from Bill & Valerie Masters looked well sold at £1035. Others to £1025 from Ingsdon Farm Ltd.

### **ABERDEEN ANGUS**

Angus sold to a flying trade with all types in high demand and not enough consigned to meet orders. Forward Angus with named sires encouraged competitive bidding despite the falling finished price. Heavy forward Angus steers from Jim Wild of Puncknowle Manor topped at £1205. Other forward steers to £1092 from PW CC & JC Gould and £1075 from the Foot family. Well grown steers carrying flesh to £1060 from GP Spiller and Bill and Valerie Masters.

### **FRIESIANS**

A nice run of 8mo Friesian bulls from Nick Windell enjoyed competitive bidding looking well sold at £375. A strong run of Friesian grazing steers from GP Spiller saw interest from purchasers and sold at £688. More Friesians could have been sold to the advantage today.

### **FORWARD CONTINENTALS**

All types wanted this week with high demand from buyers. Not enough cattle to satisfy demand despite the falling beef trade. A cracking consignment from the Foot family represented by Sam and young Harry sold very well topping at £1150 for a Blue heifer. Blue steers from the same consignment achieved £1090 and £1035. Similar quality steers from Rory & Rachel Geddes reached £1048 and £1025 from Brian Ewins. Well grown Limousin steers from Tom Bartlett & Son to £1062 with other forward types to £1005 from GP Spiller. Large framed Simmentals with potential to gain finish consigned by Tim Hiscock reached £970 with Limousins to £930. A heavy Simmental heifer from Ingsdon Farm Ltd reached £1100 with many other heifers up to and over £900. Heifers with good frames and potential to £855 from WCG Simmons and £932 from Tim Hiscock.
