YOUNG CONTINENTALS

Another grand run of younger Continental cattle this week and the large complement of purchasers were not disappointed. Smart suckled Simmentals (14mo) from MD & MR James set the trade with their steers selling to £1000. Another well presented consignment (9-11mo) from D & R Miller & Sons were very keenly contested with their steers to £920 and heifers to £822. Other quality steers easily sold in advance of £860 with Limousins to £975 from SJ Millard and Blues to £925 from BM Heal & Sons. Fantastic Charolais heifers (only 13mo) from Haw & Trim Partners grossed over £1045. An excellent consignment of dairy bred Simmentals from GM & S Silvester & Sons met a flying trade to £990 and £872. Blue steers and heifers presented by Holway Farms sold well to £860 and £790 respectively. Certainly one of the strongest demands seen of late.

BEEF SCHEMES – NAMED SIRES

Named sire cattle particularly Angus, Hereford, Shorthorn and Devon breeds are of particular importance when selling stock at market. Stringent measures are now in force, specifically **DNA testing**, when animals enter rearing units and/or at the point of slaughter to check that they are by the registered sire provided.

If at point of sale you are not 100% sure, please DO NOT sell your animal(s) with a sire.

The financial implications of providing an incorrect sire at point of sale will be considerable.

ANGUS (212)

A good sized entry with plenty of named sire and farm assured types on offer to test the trade. The younger steers and heifers met a brisk demand with steers regularly settling either side of the £900 mark and heifers just shy of £700. The forward cattle sold very well and a number grossed over £1000. Cracking fleshed steers from both MB & LC Haskell and M Maggs topped at £1230 with others to £1150 from IJ Masters, £1125 from MI King and £1060 from PR Harris. Similar framed heifers sparked brisk bidding to £1090 from AJ Paulley, £1000 from GA Green & Son, £995 from JW & JR Seare and £978 from JD Jenkins & Son.

HEREFORD (155)

Herefords not quite so plentiful as the Angus cattle this week but nonetheless they were keenly sought. Named sire forward steers topped at £1145 from the Sparshott family with others to £1130 from GT Wareham & Son, £1030 from JW & JR Seare and £975 from IJ Masters. Younger sorts met a good demand with steers (11mo) to £860 from BM Heal & Sons and heifers to £725 from T Bravin. No stronger fleshed heifers on offer but medium feeding sorts generally settled between £725 and £798.

FRIESIANS (303)

A large entry of Friesians this week met another improved trade with prices very pleasing throughout. A good consignment from John Baggs (Farmers) Ltd set the trade with their yearling steers easily from £565 to £682. Well presented types (15mo) from GM & S Silvester & Sons peaked at £775 and more of these farming sorts would have sold to advantage. As expected Puncknowle Manor Estate produced some quality framed forward steers with their best to £1085. Other framed types wanted to £1065 from GT Wareham & Son.
