FROME LIVESTOCK

AUCTIONEERS LTD

STEERS TO £1,300 HEIFERS TO £1,000

A slightly higher entry this week which all sold to a solid trade. Much improved by the recent rain, plenty of potential purchasers around the ring all competing for cattle. More could have been sold to an advantage.

YOUNG CONTINENTALS

With a change in the weather the damper conditions brought a much livelier trade. Generally more clients forward and much keener to fill the lorries. Younger well shaped Continentals easily sold with single suckled Charolais steers and heifers from PM & JM Trim saw excellent prices with the best steers to £910 and £790, heifers from the same home at £795. Other 10-13mo Simmental & Charolais regularly £780 - £848. Super 10mo British Blue x heifers from RA & CL Whitcombe to £645. Bramble Farms continuing to support the market with their usual high standard of Blonde cattle which saw their steers to £858 and heifers to £770. Dairy x Continentals from GA Durston 15mo to £785. Not quite the numbers of Limousin on offer but nice types from the Hares Partnership 9mo to £790 and heifers to £660. Overall a greatly improved day.

HEREFORDS

Some quality consignments of Herefords this week sold to an improved trade for both forwards and younger grazing types. Two well presented steers from Bill & Valerie Masters topped at £1045. Other forward steers with medium frames from SP Allen achieved £955 and £850 from Sue Ellmers. Heifers from SP Allen to £910 with similar types from NP Hayward to £895. Young steers in demand with quality suckler bred steers to £670 for 8mo from RA & CL Whitcombe.

ABERDEEN ANGUS

Fewer forward Angus this week with more medium framed and younger types. All benefited from a firm trade, encouraged by the rain. Heavy steers from PW CC & JC Gould & Son topped the trade at £1192. Similar quality from RW Courage & Son reached £1165 with heifers from the same consignment achieving £1000. Younger well-bred single suckled steers to £918 from Bramble Farms and £882 from Micky Lovell. Steers with good frames and potential to grow reached £850 from N Webb and £800 from Sam & Harry Foot. Younger heifers regularly above £800 including Groves Farming Partnership heifers to £885 and Grove Farm Partners to £818.

FRIESIANS

A better entry in terms of quality and numbers, which enjoyed a competitive trade for the stronger types. Best Friesians to £888 for some strong well fleshed steers from CV Salmon who had others at £802. A bunch of well fleshed Friesian steers from C & J Smart looked well sold to £742. Medium steers from TR Horsington caused a stir and eventually sold to £688. A nice run from Evershot Farms with the best at £638 with others to £598 and £550. Some smart British Friesian steers to £648 from JR & DC Wolfe with others to £618. Smaller leaner types were easier on the week with trade being more selective. Best smaller types to £525 from GA Durston who had others to £500.

FORWARD CONTINENTALS

Amazing trade assisted by the rain flurries and the prospect of an increasing finished beef price. Top honours of the day went to Derek & Graham Stevens with their Charolais steers to a massive £1300. Well reared Simmental steers were sought after with keen bidding forcing the trade from £1128 to an excellent £1190 all from Bill & Valerie Masters. The regular consignment from PW CC & JC Gould saw their Limousin steers to £1005. Only younger heifers on offer met a competitive trade with Limousin heifers to £780 19mo from Sam & Harry Foot, Simmental heifers from £788 from Neville & Anna Smith to £800 from Grove Farm Partners. British Blue heifers to £780 from PW CC & JC Gould.
