SUCKLER CATTLE

Only a small number forward but trade was nevertheless very firm. Quality Pedigree Simmental cows with heifer calves at foot peaked at £1220 from the Brown Family, IOW. In-calf Charolais cows due April to a Pedigree Angus sparked competitive bidding to £900.

YOUNG CONTINENTALS

Trade continuing on from last week's strong sale with plenty of interest from start to finish. Single suckled steers and heifers sold very well with most from £700 to £780. Outstanding Simmental steers (12mo) from regular vendor Colin Pople produced a blistering trade to £885. British Blue steers (10mo) from RJ Bull sold in advance of £840 fifteen times with his best to £855. Heifers are still very much in demand with plenty from £600 to £650. Cracking Blues from A & S Chick topped at £692. The dairy bred Continentals were easily sold and more would have sold to advantage. Overall a good start to the year with numbers expected to increase weekly ahead of our special February "Candlemas Fayres".
