### YOUNG CONTINENTALS

No shortage in demand for the younger Continentals this week with prices once again settling as strong levels. The quality single suckled steers and heifers (10-12mo) all sold very well with a wonderful Blue steer from the North family topping at £1122. Super Limousin steers from WS Stitch sparked very brisk bidding to £990 with other cracking types from Paul and Rob Lucas regularly from £800 to £910. Grand Simmentals from James Foot set the trade with his steers from £860 to £895 and his heifers to an excellent £820. The dairy bred cattle were also readily sold with plenty of steers from £650 to £750 and heifers similarly sparking keen interest. Plenty more cracking consignments of young suckled calves set to appear throughout October.

### **VENDORS PLEASE NOTE: RINGWORM**

**CATTLE WITH RINGWORM CANNOT BE ACCEPTED AT MARKET**

### **BEEF SCHEMES: NAMED SIRES**

Named sire cattle particularly Angus, Hereford, Shorthorn and Devon breeds are of particular importance when selling stock at market. Stringent measures are now in force, specifically **DNA testing**, when animals enter rearing units and/or at the point of slaughter to check that they are by the registered sire provided.

**If at point of sale you are not 100% sure, please DO NOT sell your animal(s) with a sire.**

The financial implications of providing an incorrect sire at point of sale will be considerable.

## ANGUS

Another quality entry of Angus cattle produced a flying trade. The yearling cattle were in demand with quality steers (13mo) to £885 from Trinity Farms Seagry. Plenty of others from £730 to £795 from G Bown & Son. Younger steers again (only 6mo) sold well to £690 from Mike Lovell. Yearling heifers topped at £800 for cracking types from JHR Hosford. The stronger cattle sparked very brisk bidding with fleshed steers peaking at £1175 from A Bown, £1135 from JHR Hosford, £1125 from Will Weaver and £1095 from Sam Foot. Medium steers with farming potential keenly sought from £850 with bulling heifers regularly from £780. Forward heifers sold well peaking at £1080 from Dave Merrett and £1050 from Will Weaver. Plenty more with named sires would have sold to advantage.

## HEREFORDS

Not so many on offer as seen in recent weeks with more quality named sire types of all ages wanted to satisfy demand. The few yearling sorts met a firm trade and sold well for their quality. The stronger cattle sparked more brisk bidding with steers (25mo) to £1290 from Stan Taylor. Other quality steers from the same home easily to £1250 and £1140. Cracking younger steers (only 16mo) grossed £1058 from James Foot with medium farming sorts regularly from £840. Forward heifers topped at £1032 from Paul and Rob Lucas with more wanted on a weekly basis.

## FRIESIANS

The stronger Friesian steers sold to an improved trade with the best to £1000 today from James Churchill and George & Clive Wareham. Other good farming sorts with potential easily sold to £835 from Dave Merrett and £812 from BJ Wallbridge & Son. The younger yearling sorts were a little more difficult to place than of late with buyers more selective but still keen for the promising types.

## FORWARD CONTINENTALS

An amazing trade from start to finish with the best topping the £1200 mark. British Blue steers were a highlight with smart types easily to £1155 from Will Weaver, £1205 from Jamie Holt, £1250 from George & Clive Wareham peaking at £1350 from Stan Taylor & family. The excellent show of Limousins met a very fast trade with young steers (16mo) to £1195 from Will Stitch with older sorts to £1255 from George & Clive Wareham. Simmental steers from the same home to £1242. Quality fleshed heifers equally sought with Limousin bulls from £930 from Robert Anne and Jane Mayo to £952 from Sue Dening. Forward Limousin heifers topped at £1098 from Sam Foot and £1010 from Will Stitch. Charolais heifers met fantastic bidding to £1032 from AJ Hunt with Blues to £1030 from Dave Merrett and Simmentals to £1000 from S & G Jenkins.
