### YOUNG CATTLE

A small well presented entry of young cattle in our penultimate store cattle sale of 2017 met a brisk demand (Final Sale: Wednesday 20<sup>th</sup> – Please contact the office with your entries). Angus steers from NJ Garrett topped at £960 with Simmentals from the same home to £940. Other yearling Angus steers wanted from £700 to £785 from SM Simmons, £732 from Neville & Anna Smith and £722 from Roger & Maggie Cobb whose Limousins peaked at £710. Herefords in short supply with the best yearling steers today to £700 again from Roger & Maggie Cobb with heifers to £628 from RE & D Woodward. Other Continentals generally settled around the £650 mark with Charolais steers to £705 from AG Maidment and Blue heifers to £690 from Jackie Dacombe.

## FRIESIANS

A small selection as to be expected at this time of year with the stronger medium Friesians from £750 to £810 from Paul Hurd. Other good types with potential to £685 from Dave & Jackie Selby. Younger calves (5mo) met a fair trade from £200 to £300.

## FORWARD CATTLE

Far too few stronger well fleshed cattle on offer to satisfy another strong demand. Framed Angus steers topped the day at £1145 from Peter Ings with others good types to £1110 from Bapton Manor Farm, £1045 from EAS Reeves & Sons and £930 from Will Abraham. A number of medium farming Angus steers settled around the £780 mark with younger bulling potential heifers wanted around the £800 mark. Forward heifers keenly contested topping at a cracking £1128 again from Bapton Manor Farm with other well presented types to £940 from Roger & Maggie Cobb. Not too many strong Continentals on offer this week but those on offer sold very well. Good conformation Blue steers topped at £1040 from SM Simmons whilst heifers of the same breed peaked at £1015 from CG Capon. Plenty more of all breeds and grades would have sold to advantage.

*Many thanks to all vendors and purchasers for your continued support  
Merry Christmas & a Happy New Year*
