**POTENTIAL SHOW CATTLE**

This Friday saw the resurrection of the show and sale of potential show cattle. The show being kindly sponsored by Mole Valley Farmers of Frome was a great success and trade for the quality types on offer was strong. Our judge Mr Dean Laramy from Honiton selected an outstanding 10mo Limousin steer from young farmer Archie Hill reaching £1100. Heifer classes keenly contested by local supporters and neighbours GA Pike & Son and FC Cottle & Son with their Blonde and Limousin heifers 10mo to £830 and £840. Thank you to the judge and all who supported the sale.

**YOUNG CONTINENTALS**

A typical harvest entry today, however a few more single suckled young Continentals on offer due to our show and sale of potential show cattle. The commercial Continentals produced a lively trade with much greater all round demand than anticipated. Limousin 6mo single suckled steers to £695 and heifers to £520. Parsons & Jones presenting top quality British Blue x steers and heifers 8-9mo with their steers regularly over £750 and peaked at £795 with heifers to £648. 14mo steers from the same home to £895. Alan Pike continuing to sell excellent home bred Blonde x and Limousin steers and heifers 10-13mo with his steers often over £800 and peaked at £905. Heifers easily £625 - £770 and were well sold. Very few Dairy x Continentals but levels of trade generally firmer than of recent sales.

**Entries for Friday store cattle sales for inclusion in catalogue must be entered by midday Tuesday. This enables prospective purchasers to be notified.**
