YOUNG CONTINENTALS

No shortage of quality cattle this week with some fantastic cattle achieving sensational prices. Another grand consignment from FC Cottle & Son of home bred Limousin steers and heifers (8-10mo) were a highlight and sparked an electrifying trade. Their best steers easily sold in advance of £900 and heifers regularly over £800. A smart run of Blondes from PR & JR Best sold very well with their steers to £925 and heifers to £680. Charolais steers and heifers from North Dairy Farm Ltd peaked at £925 and £800.
