WEEKLY £25 STORE CATTLE MONAHANS AWARD

Monahans Chartered Accountants & Business Advisers

have kindly offered to award £25 each week to the vendor of the highest priced (£/head) store animal.

This week's winner: £1,190 for an Angus steer from PM & JM Trim, Dorchester.

SUCKLER COWS & CALVES

A varied entry of cows & calves and in calf cows today. Trade was reflective of the current conditions which generally saw buyers much more selective. Stronger cows with 3mo calves £750 - £850 while well fleshed Angus in calf cows saw prices to £800 - £895.

YOUNG CONTINENTALS

Fewer best single suckled Continentals coming forward as expected for the time of year. Trade all round was more difficult but perhaps better than first anticipated. Smart well shaped Limousins from the Sprake family saw prices £650 - £720 with slightly older steers to £820. John Stretton & partners once again presenting some quality Simmental heifers 14-15mo £730 - £770. Dairy x Continentals needed to have good shape and conformation to attract any of the stronger interest. The continued dry spell generally seeing purchasers more cautious than of the late.

HEREFORDS & ABERDEEN ANGUS

Some good consignments of well grown Angus were competitively bid for. A large framed steer from PM & JM Trim topped the trade at £1190 with other quality steers to £1000 and £985 from PH Creed & Son. Medium framed steers with potential from Tyler Farming Partnership to £888 and £840 from RJ Adams. Forward Hereford steers to £938 from J & WR Adams. Angus heifers from PM & JM Trim reached £1090 with slightly younger types to £915 from PH Creed. Hereford heifers from J & WR Adams to £888 and £800 from RJ Adams.

FRIESIANS

Friesians made up a large proportion of today's entry and while easier all were sold to a better trade than expected. Most were younger sorts 12-16mo and saw prices £450 - £650 with a few more men looking for feeding types. Very plain Holstein Friesians found buyers more selective and in line with the national trend.

FORWARD CONTINENTALS

A small entry of Continentals consigned this week with the best quality selling well despite the downward fall in the finished beef price. A smart Limousin steer from Ingsdon Farm topped the Continental trade at £1082 followed by a well grown Blue steer from the same home. Other well conformed steers competitively sought with younger Limousins from WCG Simmons to £935. A good consignment of medium framed Blue steers with potential from the Tyler Farming Partnership to £775.
