SUCKLER CATTLE

A small entry of suckler cattle this week met a brisk trade with Angus 2nd calvers with Charolais calves at foot easily to £1280 from Longclose Farm. A good Charolais cow just in-calf to a Blue wanted to £950 from RJ & PJ Northover. Harder outfits generally from £800. **WEDNESDAY 9TH AUGUST: SPECIAL SALE OF 100+**

YOUNG CONTINENTALS

A good run of young Continentals this week met another firm demand. Smart Blonde steers from Robin Joyce topped at £1008 with other good steers to £910 from Tim Cox. The excellent annual consignment of Charolais from Rob Fry were a highlight with his steers regularly from £915 peaking at £945 with his heifers from £800 to £822. Other Continentals perhaps met a slightly more selective trade with steers settling around the £700 mark and heifers around the £650.

ANGUS / HERE / FRIESIAN

The named sire and farm assured **Angus** continue to sell well with the best yearling steers peaking at £920 from Chris Bailward. Other young steers to £840 from CF & AM Martin and £790 from Andy Limond. Similar aged heifers peaked at £735 from Colin Massey (Somers Farm) and £730 again from CF & AM Martin. The stronger Angus cattle with flesh and conformation sold very well with steers peaking at £1360 from CJ Wells & Sons. Others traded around the £800 mark. Other quality steers to £1200 from WH & MA Crew, £1195 from F Stone and £1160 from PW CC & JC Gould. Forward heifers more scarce with nice types to £985 from LP Norman & Sons and £978 from J Alvis. Others generally from £800. **Hereford** steers (10-12mo) more scarce topping at £770 from Somers Farm Partnership. Quality types (only 8mo) from Rob Fry sold well with his steers to £745 and heifers to £695. The forward cattle were also in short supply with steers to £1075 from Brian Godwin, £950 from Casely Farms and £925 from Pete Yeatman. Heifers topped at £960 from RC Few & Sons and more would have sold to advantage. No young **Friesian** on offer today with the stronger sorts topping at £988 from PW CC & JC Gould. Medium types with farming potential generally settled around the £650 mark with feeding cattle to £765 from A Bown and £720 from Longclose Farm. Overall an easier trade reflecting the downturn in the finished sector.

FORWARD CONTINENTALS

A small but quality entry of forward Continentals met a brisk demand with well presented Blue steers from Brian Godwin topping at £1210. Other smart Blue steers wanted to £1170 from Virgin & Sons and £1080 from J Alvis. Cracking Blue heifers from CJ Wells & Sons peaked at £1310. Good conformation Simmentals sold well with steers to £1080 again from Brian Godwin and heifers to £1060 from R Kendall. Well fleshed Limousin heifers peaked at £1150 from A Bown and £1110 from Mells Park Trust. Most steers with conformation settled in advance of £900 with heifers generally from £800.
