JANUARY 2016 SUCKLER SALE REVIEW

SUCKLER CATTLE (104)

AUCTIONEER: TREVOR ROWLAND

COWS & CALVES TO £2,050

IN-CALVERS TO £1,100

A pleasing demand and trade for all suckler cattle throughout January. The overall quality was quite variable but there were still plenty of potential purchasers interested in all grades. The best outfits sparked very competitive bidding and more quality cattle would have sold to advantage.

Top quality home bred Pedigree Limousins with pure bred calves (8mo) at foot from JJ & BD Comer were a highlight at £2050 and £1750. Quality first calved Simmental heifers with young calves (2mo) were particularly dear at £1230 from Bensgreen Farm Partnership. Angus x heifers with young calves at foot sold extremely well to £1100 from Bryan Read Ltd. Shorthorn cows with calves at foot sparked interest to £1000 from LJ Anthony. Pedigree Simmental cows with young Blue calves at foot from C Tucker sold well to £1120. Pedigree in-calvers from the same home settled at £990, £970 and £860. Bulling heifers also from C Tucker achieved £800.

Demand was particularly strong for in-calf cows with quality calves at foot. Outfits presented by CA Reeves were sold separately to see the cows settle just shy of £900 and the named sire Angus calves to £725. A consignment from Booy Farming Partnership of 'dual' purpose Montbeliardes with Limousin x and Angus x calves at foot were keenly sought from £900 to £1100. In-calf heifers and cows from the same home sparked competitive bidding from £800 to £850. Blonde x in-calf cows sparked competitive bidding from £750 to £900. Simmental x Friesian cows due March/April to a Limousin all topped the £1000 mark with the best to £1100 and £1060.
