FARM ASSURANCE STICKER HERE PLEASE

FARM ASSURANCE: NO STICKER = NO ASSURANCE. TO SELL AN ANIMAL AS FARM ASSURED THEY MUST HAVE BEEN ON A FARM ASSURED HOLDING FOR A MINIMUM OF 90 DAYS.

HOLDING NO:

IT IS A LEGAL REQUIREMENT THAT AN ARAMS LICENCE ACCOMPANIES ALL SHEEP TO MARKET
PLEASE MAKE EACH SEPARATE COUPLE CLEARLY IDENTIFIABLE FOR LOTTING PURPOSES
WE ADVISE THAT ALL BREEDING EWES & LAMBS ARE DOUBLE TAGGED (1 x EID)

I HEREBY DECLARE THAT:

1) That I am the owner/owner's agent of the animal(s) below.
2) **GOOD ON TOOTH & UDDER –** Ewes described thus should be correct in the mouth (ie. FM, no corner teeth missing) and not diseased or deformed in the udder.
3) **EWES** – An allowance of **25%** of the selling price shall be made to the purchaser by the vendor for any ewe which does not answer the age of the Lot (unless otherwise stated at the time of sale) BUT NO ALLOWANCE shall be made for any ewe which may be found to be younger than the description given. Likewise an allowance of **30%** of the selling price shall be made to the purchaser by the vendor for any ewe which is wrong in its udder having been described as good on udder (GOU) subject to verification by the Auctioneers independent expert or supporting Veterinary Certificate. All ewes up to and including FM age are sold as good on tooth and under unless otherwise stated.
4) I further declare that all prime lambs/hoggets in this consignment have been mouthed during the past 48 hours and none have scaled up a permanent incisor. In the event that any sheep in this consignment are subsequently discovered within 2 working days of the sale to have erupted a permanent incisor then I will be liable to recompense the purchaser an amount of half the value of the average price per head of the consignment, as recommended by the Livestock Auctioneers Association.
5) The stock have been examined and show no signs of any disease or condition that may affect the safety of meat derived from them and comes from a holding which has had no movement of FMD susceptible animals onto it in the 6 days prior to the Market, other than the permitted exceptions.
6) The movement is in accordance with the General Licence Conditions.
7) The Vehicle has been fully cleansed and disinfected prior to loading of stock.
8) Sheep and goats on the holding are not under movement restrictions for animal disease or public health reasons.
9) Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
10) No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that any affect the safety of meat or to substances likely to result in residues in meat.
11) Frome Livestock Auctioneers Ltd as Auctioneers at Frome Market, act as principals in all financial transactions. Sale proceeds are not paid into a Client bank account and consequently the RICS Client Money protection Scheme (CMPS) will not apply to protect the Vendor.
12) All stock is sold in accordance with the conditions of sale produced by the Livestock Auctioneers Association as displayed in the market office.
