BLUE TONGUE UPDATE WEDNESDAY 16TH APRIL

DEFRA have announced a temporary easing of pre-movement testing for Blue tongue for non-breeding livestock leaving the restricted zone. Specific licence EXD632 is still required but non-breeding cattle, goats and sheep over 60 days can now move without a BT pre-movement test. Only the following animals still require testing:

- Entire males intended for breeding
- Pregnant females (or pregnancy status unknown)
- Stock aged 60 days or younger (unless travelling at foot with the maternal dam where the maternal dam should be tested by PCR and ELISA)

This is a temporary change that will apply until 15th May 2025. DEFRA reserve the right to withdraw the extension at any time should new disease be confirmed.

The advertisement for Frome Market Cafe is set against a rustic wooden background. At the top, a dark red banner contains the text "FROME MARKET CAFE" in white, bold, sans-serif capital letters, followed by "Open from 8am!" in a white, cursive script. Below the banner, a breakfast spread is displayed: a white plate with a fried egg, sausages, mushrooms, tomatoes, and a slice of black pudding; another white plate with two triangular pastries; and a white mug of coffee. To the right of the food, the text "Breakfast until 11:30am" and "Lunch from 12 noon" is written in white, sans-serif font. In the bottom right corner, there is a circular logo for "FROME LIVESTOCK AUCTIONEERS" featuring a stylized red, yellow, and green square above the text in red and green capital letters.
