Chaplain's Prayer

Our prayer this week asks God's Blessings on those who are able to take time off during this month of June (however brief) whether at home or away! Exodus 34:21 'You shall work six days, but on the seventh day you shall rest. Even during ploughing time and harvest you shall rest'.

This year we are planning to have an NHS Hub/FCN awareness event here at the market on Saturday September 21. We are organising it with Frome YFC...watch this space for more details!!

Farms are considering actively seeking more **Direct Sales** to combat rising costs. Around a third of farms in SW, NE and West Midlands currently account for 11% of UK sales. This could significantly improve margins, access new market opportunities and gain greater control over how products are sold. For **Help and information** go to <https://rsonline.org.uk/farms-consider-more-direct-sales-to> combat rising costs....

As a Chaplain and Farming Community Network volunteer, I am extremely aware of the stress we all carry round with us and the affect it can have on our mental health. I've also been a farmer, so fully understand the pressures. 😞 Here's 10 basic skills for gaining and maintaining emotional Wellbeing:

1. Set yourself achievable goals
2. Be kind to yourself!
3. Believe in yourself
4. Manage your time (prioritise this way: A. absolutely essential B. better done today C. could wait D. delegate to someone else!)
5. Face and solve your problems
6. Keep things in perspective (you can choose how you react)
7. Learn to relax!
8. Express your feelings
9. Manage your diet
10. Exercise regularly 🏃🏃🏃!
