## Chaplain's Prayer

Psalm 107v8-9: 'Let them give thanks to the Lord for his unfailing love and his wonderful deeds for men; for he satisfies the thirsty, and fills the hungry with good things!'

Everyone likes to be thanked! Nobody likes to be taken for granted! It costs little to thank someone for what they have given or done for you. In fact it's been proven that we get in direct proportion to what we give? Studies have shown that we **Live Longer** by being thankful to others and what we've

been given! 😊 God, our maker loves us to Thank him....even for the very smallest things! He can and does turn evil into good! Read the book of Job. He went through Hell and back...but never lost his faith in his provider and came through stronger than ever! 🙏 I was recently approached by a very concerned farmer from the Somerset levels that felt he was being unduly victimised by the Environment agency and felt their end aim was to force him out of farming 😞 This made headline in the SW Farmer paper. The local MP highlighted this issue, and discovered that others were the main culprits of pollution. The EA claim there is no hidden agenda to force Farmers off their land, and that they are committed to working with farmers to prevent pollution 😞 I had a chat with the farmers local NFU office...and they are well aware and have much sympathy with this situation on the levels 🙏

If you are worried about anything at all and needing a chat, here are agency numbers to contact. I am on 07880770887, **FCN: 03000 111 999**, [help@fcn.org.uk](mailto:help@fcn.org.uk)

Please don't suffer in silence!

We (with Frome YFC) are having a function here at the market on Saturday September 21<sup>st</sup>. It's to promote the services of The Farming Community Network (FCN) and the Health Hub (Macmillan too) ... details to follow! Please put in your diaries! FCN has partnered with Macmillan Cancer Support. Cancer affects those of us in rural areas just like any others...So now there will be specialist support/counselling for those suffering from this condition based at our market here at Frome 🙏 Remember, you are not alone! Have a word with me or Paul Watts at the market to find help for any anxiety/situation/condition that you may find yourself in ❤️

Blessings to you all!
