We remember those in the farming community facing challenges of any kind at present, especially those known to us; and we give sincere thanks for the work that the help agencies can offer those in need of it!? I found this in my correspondence!:

'You can't **Heal** the people you Love...You can't make **Choices** for them....You can't **Rescue** them!? **But....**You can promise that they **Will not Journey Alone...**You can loan them your map, but this trip is theirs' 🙏

As market Chaplain and **Farming Community Network** representative it's not my job to tell people what to do but to meet them where they are non judgementally and suggest others who can help!?. This can be quite a difficult line to tread, as we all seem to love giving advice to everyone (including me 😊)

Here are the contacts you can make if you need advice...or simply **Someone to talk to!**

FCN(farming community network) 03000 111 999, help@fcn.org.uk

RABI(The Royal Agricultural Benevolent Institute) 0800 188 4444, **Open Mental Health...**24h a day 01823 276892, **Samaritans** 116 123, jo@samaritans.org

Please feel free to approach me, or my colleague FCN rep Paul Watts at the market for a chat ! Please remember your neighbour that you may believe to be struggling in any way.

Neville Dyke(Chaplain) 07880770887.
