**STEERS TO £1650 HEIFERS TO £1380**

A lighter show of store cattle this week selling to an excellent trade with some quality consignments forward and a strong turnout of buyers. All categories of store cattle wanted. Stores averaged £1039 overall.

### YOUNG CONTINENTAL

The young continentals still selling at excellent levels throughout. Obviously, at this time of year fewer top grades on offer with most suckler types not forward until October, however, the few that were forward produced a blistering good trade. 10-11mo Blue x steers from N Webb were on fire with pens at £1195, £1140, £1185 & £1065 11mo heifers were equally as good at £1125!! Marcus Hayward again presenting some outstanding Limousin heifers and at only 12mo peaked at £1250!! Another great trade here today and thanks to all who supported again this week.

## HEREFORD & ANGUS

All the tradition breeds continuing to find support and interest with both older and younger types being extremely well sold again this week. Super quality Angus x steers (20mo) from the Groves family peeked at £1515 & £1290. Angus x heifers from the same home at £1200. Super quality 11mo Angus steers coming from N Webb Purton saw lively bidding at £1010. Quality well grown good confirmation Hereford x steers were very easily sold and top sorts (24mo) presented by D & N Randall topped out at £1512. Real tidy Blue x Hereford heifers just 15mo from Pat Apsey produced hot trade £1042. Overall a good day for these traditional cattle.

## FRIESIAN

Not too many Friesian Holstein on offer but I felt all that were forward through the ring sold to strong levels. Young 8-10mo steers saw brisk bidding ranging £680-£725! Stronger big frame steers (but lean) 24-30mo saw a very bright trade with the Smart Family seeing pens at £1108 & £1100. More could have been well sold.

## FORWARD CONTINENTAL

Strength in short supply but very high demand driven by the strengthening finished beef trade. Warm fleshed cattle regularly over £1500 and many more could have been sold this week. Wonderful British Friesian bred Limousin (20mo) from RH Groves created fierce competition with steers to £1650. Older over 30mo Blonde x Fleckvieh steers & heifers from regular supporters Paul & Ollie Hurd produced excellent bidding at £1600, £1590 (steers) with heifers £1380. Most forward continentals over £1250 and all vendors were well rewarded for their effort.

## CHAPLAINS PRAYER

'The Earth is the Lords, and all that is in it, the world, and those who live in it! 'Psalm 24 v 1.

We give thanks for all in the Farming community who shoulder so much responsibility for food provision and upkeep of the landscape around us! We remember those in the farming community facing challenges of any kind at present, especially those known to us; and we give sincere thanks for the work that the help agencies can offer those in need of it!? I found this in my correspondence!:

'You can't **Heal** the people you Love...You can't make **Choices** for them....You can't **Rescue** them!? **But....**You can promise that they **Will not Journey Alone...**You can loan them your map, but this trip is theirs' 🙏

As market Chaplain and **Farming Community Network** representative it's not my job to tell people what to do but to meet them where they are non judgementally and suggest others who can help!? This can be quite a difficult line to tread, as we all seem to love giving advice to everyone (including me 😊)

Here are the contacts you can make if you need advice...or simply **Someone to talk to!**
