Well what a fantastic end to the year and our final Orange market for 2024! Demand was immense and prices were certainly equal to any normal Friday sale and in some cases I would conclude they were dearer.

**CONTINENTAL**

Roger Phillips and family continue to support with quality stock seeing their homebred Blue x steers £1445 and heifers to a terrific £1555. Top class continentals (16-20mo) came in the form of Limousins from JJ Taylor & Son; these superb cattle were keenly sought with all bunches of steers over £1670 and the best to £1820. Heifers from the same home were not far behind at £1700. Younger Blue x steers and heifers from SP Creed (13-16mo) were well sold to £908 and £775 respectively. 8mo Blue x from Kingston & Sons saw trade again very bright at £600-£730. Overall trade for all store animals today was equal to any normal commercial market seen in recent months.

**NATIVE**

Hereford x cattle were particularly sought and dear. A number of good forward steers and heifers on offer which saw best steers 28-30mo from Viv & Gill Doggrell sell to £1735 and £1715 with their heifers at £1605 and £1530. A super consignment of 20 (19-23mo) Hereford x homebred steers and heifers presented by LP Shackell & Son commanded unbelievable prices with steers topping at £1405 and heifers to a remarkable £1550!!
